

## Holmdel County Park

(Park entrance GPS coordinates: **40.369977**,

**General Driving Considerations:** Holmdel Park is situated in Monmouth County, just to the west of the Garden State Parkway (between Exits 114 and 116) and to the east of NJ-34. Drivers travelling on the southbound GSP should take Exit 117A and connect with NJ-34-South (see below). Those approaching the park by way of the northbound GSP should proceed to Exit 114 and continue briefly on local roads (see below). Other major throughways in the relative vicinity of the Park are NJ-79, NJ-18 and US-9. *We will be meeting at the Hill Top parking lot, which is about half a mile to the north of main entrance, NOT the Forest Edge parking lot.* A park map can be found [by clicking here](#).
