

Horseshoe Bend Park

(Park entrance GPS coordinates: **40.506030, -75.041454**)

General Driving Considerations: Horseshoe Bend Park is located in Kingston Township, in the western sector of Hunterdon County. It is only a couple of miles south of Frenchtown. The park is accessible from two entrances on Horseshoe Bend Road. We will be meeting in the north section of the park. The north entrance is located 0.2 miles north of the intersection with Spring Hill Road. Download the park map from www.kingwoodtownship.com/parks#Horseshoe Bend Park.

From the US-202/NJ-31/NJ-12 Traffic Circle in Flemington, NJ [11.3 miles in approximately 17 minutes]: Follow NJ-12 West for **8.4 miles**. At the third traffic light after leaving Flemington, turn left onto Kingwood Road / Country Route 519 South. Drive **1.3 miles** to Spring Hill Road and look for a small brown sign on the left side of the road pointing in the direction of Horseshoe Bend Park (to the right). Make a right onto Spring Hill Road and travel **1.4 miles** to the intersection with Horseshoe Bend Road. Do not enter the park here. Instead, turn right and drive **0.2 miles** to the park's north entrance on the left. Take the driveway to a large building/shed with a green roof.

From the NJ-29/US-202 Interchange in Lambertville, NJ [15.2 miles in approximately 22 minutes]:

Drive **12.3 miles** on NJ-29 North along the Delaware River to the intersection with Fairview Road. This is the last road leading away from the river before entering Frenchtown. Turn right and follow Fairview Road for **1.7 miles**. Make a sharp left onto Horseshoe Bend Road and proceed **0.9 miles** to the intersection with Spring Hill Road, but do not enter the park here. Continue straight for **0.2 miles** to the park's north entrance on the left. Take the driveway to a large building/shed with a green roof.
