(Park entrance GPS coordinates: **40.791382, -74.642433**)

**General Driving Considerations:** Meadowood Park (a maps.google.com spelling) is a modestly-sized parcel of wooded public land located roughly 8 miles to the west of Morristown, between the townships of Chester and Mendham. It is best accessed from either north or south by navigating a stretch of US-206 that runs between I-80 and I-78 (see below). For residents of the Morristown area, it is a straightforward drive on County Road 510 (West), followed by a right turn onto Old Mill Road. *Please note: NO RUNNING WATER, TOILETS, ETC. Be prepared to meet all your own needs.*
