Parking lot entrance GPS coordinates: **40.909153, -74.436549**

General Driving Considerations: Tourne Park is located in Denville, NJ, in the heart of Morris County, just a few miles northwest of the I-80/I-287 interchange. McCaffrey Lane, a connector road between County Routes 603 and 618 that circumscribe the park, divides the woods in two. We will be meeting in the parking lot in the middle of McCaffrey Lane, next to the pavilion and the ball field (GPS coordinates of the parking lot entrance: 40.909153, -74.436549). The park map can be downloaded from www.morrisparks.net/maps/HiRes/TournePark.jpg.
