GPS coordinates: **41.196324, -74.392017**

General Driving Considerations: Wawayanda State Park is tucked away in the extreme north-central NJ in Sussex Co. The park entrance off Warwick Turnpike is situated a mile to the west of the Sussex/Passaic county line, a mile to the south of the NJ-NY border and about two miles to the west of Greenwood Lake that straddles both states. The Park is best accessible from I-287 and I-80 (see the detail below), but once you exit either highway, be prepared to spend between 30 and 50 minutes navigating local roads.

At the stop sign, turn left onto Warwick Turnpike and follow it for **2.3 miles** to the park entrance on the left, marked by a large brown sign (across from the entrance). Take the park road for **0.2 miles** to the two parking lots next to the office.

From Interchange 37 on the Westbound I-80 (25 miles in approximately 48 minutes): Monitor your odometer readings. At the bottom of the Exit 37 ramp turn left (north) onto County Route 513 / Green Pond Road and follow it for **11.7 miles**. Merge onto NJ-23-South and in **0.2 mile** take the reverse jughandle on right (just before the traffic light). Go through the

intersection, make a left onto NJ-23-North and drive **0.9 mile** to the first traffic light. Turn right (north) onto Clinton Road and follow it for **9.2 miles** to a T-intersection.
